OVERVIEW:

The training program helps organisations to help their female employees understand how businesses work, what is expected from them and how they can adapt to the organizations culture in order to deliver successful performance.

- What is a successful Business?
- Understanding "their" role within a business
- The right attitude - "breaking-in"
- Set your Parameters
- Making positive contributions to the workplace
- Reporting Incidents to HR
- Resolving conflicts & Managing Teams as a Women Leader

Gearing up for Success

Upscaling businesses is a difficult job that requires cross-functional teams to work together. The organisation not only needs to focus on financial and legal implications to make diversification a success but also focus on People management and their cultural inclusion. Existing teams need to include other genders - specially females within the team's culture if they want to be truly global & successful.

Key Take-aways

We expect our audience to be familiar with the following:

- Business Logic 1:1
- Key Behaviours that can help them set themselves up for success
- What to expect from Peers and how to combat the awkward cultural adaptability process
- Rising within the team as leaders

Who is it for?

Our target audience for this course include:

- Women Employees within the organization
- HR Representatives & Leaders responsible for people management
- Team Managers who will be leading offshore and onshore teams.
- Future Leaders within the organisation who may not be in a managerial role right now but will hold senior positions in the future.
